Creativity:

You are an artist.

Life is your canvas.

Creativity is just more than creating an art form for the eyes to see.

Your art form is YOU.

Everyday is a new day of re-birthing of who you are and offers you the potential to create your master piece. - YOU

Each moment you are being fine tuned like a divine instrument.
Your own resonance is amplified.

Humility inspires you to become aware of such a gift.
Remember the divine does not resonate with judgment.

Your most accurate references come from within.

NO ONE CAN BE YOU.

This is why you are such a great artist.

Your life is an infinite canvas.

Enjoy it well!

Remember, be gentle with yourselves and let peace be with you.
